

Dear Mr. Karickhoff,

You've got my vote, Mike Karickhoff, for whatever office you seek, for whatever Party you wish to affiliate with, and how ever high your Flag wants to fly.

I will vote for you because I vote "Only For The Person". My vote does not recognize any "Party" in particular. My vote does not recognize any certain political movement or philosophy. My vote is not clouded by religion, prejudice, or bigotry. I vote "Only For The Person".

I will vote for you because you are a "Person" who will always seek the best interests of your constituents rather than the buzz of the crowd. You will look above your Party, and find the People.

Good Luck, my Friend.
