

I am supporting Mike for State Rep in District 30 and I hope you will too. We need Mike and his conservative voice in the Indiana House . There is a flaw in the direction and leadership in the House and a vote for Mike can very easily move control back to the Republicans and away from Pat Bauer.

I know firsthand that much can be accomplished if Brian Bosma is once again the Speaker of the House and conservative legislation will again be allowed to flourish . We can trust Mike because of his record and his abilities from past performance, and know that he will bring much needed leadership back to district 30.

Let's send a clear message to the State House and those who have blocked good legislation far too long. Vote for Mike and ask your friends to do the same. Let's take back The House!
