

The Best Choice for District #30

I have been fortunate to have known Mike Karickhoff since he first came to Kokomo as our Superintendent of Parks and Recreation. For twenty five years he has endeavored to advance the City of Kokomo and Howard County through his work and community service in every way that he could. His integrity is above reproach and his word is his bond. He is a clear thinker that will work for the total benefit of all citizens of Kokomo and Howard County.

It is time for the citizens of District #30 to bring their vote in state government's House of Representatives back to Kokomo and Howard County. For the past four years it has been under the control of South Bend and Indianapolis. If you don't believe this, I encourage you to follow the money. The vast majority of Ron Herrell's campaign funds have come from out-of-state PACs, special interest groups and unions like the OSTA, organizations that are not necessarily interested in the welfare of the citizens of the State of Indiana, but only their individual motives.

Like most of you, I have recently received eight pieces of expensive campaign literature from Ron Herrell. Six of these were paid for by the "Indiana Democratic State Central Committee" which is under the control of Pat Bauer who, as Speaker of the House, has been the largest obstructionist to Indiana government of all time. Had the State of Indiana followed his lead we would have been broke before the end of 2009 and in violation of the State Constitution. We need to stop the "Tax and Spend" policies of Pat Bauer and his cronies. Fortunately Indian, through the leadership of Governor Daniels and the Republicans, is held up nationally as an example of good government. Ignore what he says in his campaign literature and examine Ron Herrell's voting record. You will see that he has voted in lock step with the wishes of Mr. Bauer.

In a few short days we have the opportunity to change the way that Kokomo and Howard County are represented in the State Legislature. Take your vote back from South Bend. A vote for Mike Karickhoff will assure that your wishes are considered and represented in the State Capitol.

I will be voting for Mike!

Sincerely,

Rex Fager
