December 10, 2013

The Honorable Mike Karickhoff
Indiana House of Representatives
200 W. Washington St.
Indianapolis, IN 46204

Dear Representative Karickhoff:

On behalf of the Indiana Conservation Alliance (INCA), we are pleased to inform you that our membership of nearly 30 conservation and environmental organizations has selected you as a co-recipient of INCA's "Legislator of the Year" award for your conservation efforts in the 2013 legislative session.

We would like to recognize you and Senator David Long at our annual Conservation Day at the Statehouse on January 28, 2014. The program begins at 11:15 AM in the north atrium of the Statehouse, where former Lieutenant Governor Becky Skillman, Co-chair of the Bicentennial Commission, will offer brief remarks followed by the awards ceremony.

We hope you can join us. Our members enjoy the opportunity to personally thank members who actively support conservation and the protection of our natural resources. Please RSVP to Lynn Dennis, chair of the INCA Steering Committee, at ldennis@inc.org or (317) 829-3810.

The Indiana Conservation Alliance (INCA) is a state-wide network of nonprofit organizations that provide a unified voice in support of natural resources funding.

Sincerely,

Jennifer Boyle Warner & Liz Jackson
